Ingredients

3/4 cup low-fat cottage cheese
1/4 cup (about 2 large) egg whites or liquid egg substitute
1 tbsp. self-rising flour
1/8 tsp. garlic powder
1/8 tsp. onion powder
1/8 tsp. Italian seasoning

Directions

Preheat oven to 350°F. Line a baking sheet with parchment paper.

Place cottage cheese in a small blender or food processor, and puree until smooth. (You can skip this step if you don't mind the curds; just drain it first.)

Transfer blended cottage cheese to a medium bowl. Add all remaining ingredients. Mix until uniform.

Spread mixture onto the baking sheet in a thin layer, about 1/4 inch thick.

Bake until firm and golden brown, 30–35 minutes.
